Dear Sir Madam,

I wish to apply for the role of Senior Quantity Surveyor that is currently being advertised by Story Homes. Please find enclosed my CV for your consideration.

As you can see from my CV, I have over 20 years' experience in the Construction Industry. I feel that my ability, knowledge and skills built up during this time makes me an ideal candidate for the role available at your organisation.

In my current role at Amalgamated Construction, I am responsible for delivering projects from tender stage to final account overseeing all the commercial functions. Reporting to the senior commercial manager any commercial risks and assisting where required on regional performance.

I hope you find my CV of interest. I look forward to meeting with you to discuss my application further.

Yours faithfully

Diane Kelly
