Dear Sir/Madam

I wish to apply for the role of trainee site manager currently being advertised on your website . Please find enclosed my CV for your consideration. As you can see from my attached CV, I have over 5 years experience in the building industry, and I believe the knowledge and skills built up during this time make me suitable candidate for the role. In my current role as a stonemason, I have been involved in building projects throughout the Northwest of England, Scotland and parts of Europe. Over the course of a recent project I was given the opportunity to take on more of a foreman role as well as carrying out my own duties as a stonemason, this is what has led me to pursue a career as a site manager. I am confident that I can bring this level of success with me to your organisation and help Story Homes build upon their reputation as a multi award winning property developer. With my previous experience and expertise, I believe my contribution will have an immediate impact within the business.

Thank you for your time and consideration. I look forward to meeting with you to discuss my application further.

Regards Jack Owen
