PROFILE

I currently work for Barratt homes as customer care foreman. My responsibility's include carrying out inspections to clients properties, carrying out works with contractors and other Barratt staff. I also attend NHBC resolutions. I have on occasion worked in the customer care office when needed. I now have 20 years experience in this department. I have a gold CSCS card and a first aider. I have done various courses and the latest being a NHBC defect course.

My employment history;

Barratt homes 1998-to present

I started carrying out works in the part ex department. This then took me onto the customer care department. I was then promoted to foreman after a few years. Over the years I have been asked to fill in as a temporary manager when required. I carry out works day to day as well as inspections and NHBC resolutions.

PCS maintenance and building contractors. 1995-1998

PCS carried out maintenance to mainly shops banks and retirement homes. The work involved mainly general joinery as well as working with contractors ensuring everything was signed off to clients satisfaction.

Plumb contracts shop fitting 1990 -1995

I worked on various sites for plumb contracts mainly London. These were nearly all re-fits to hotel.

S.n.m shop fitting

This is where I served my apprenticeship. During this time I attended Newcastle arts and technology to gain my city and guilds in carpentry and joinery. I served half my time in the workshop and the other on site.

Education

City and guilds carpentry and joinery. Newcastle arts and technology.

Attended high field comprehensive where I gained CSE'S in English maths chemistry french tech drawing.

Interests :I enjoy cycling both mountain biking and road cycling.i try and get to the gym couple times a week.i am a season ticket holder at Newcastle Utd.
