

To whom it may concern,

My name is Daniel Harrison. I have worked in the construction industry as a joiner/supervisor for 14 years now and I have an extensive background from small domestic jobs to big commercial sites and everything in between.

I have also spent time running my own small business, from point of contact with clients to seeing the job run safely and completed on time. Whilst also dealing with various trades on a day to day basis.

I am now looking to further my career and move in to management and think I would be very suitable to the role you are offering.

I look forward to hearing from you.

Thanks in advance

Kind regards

Daniel Harrison
