

COVER LETTER

I obtained master of science from Liverpool John Moore University in Quantity Surveying and Commercial Management with Distinction. Please see below a brief outline of my career to date. I have 14 years' experience as a Quantity Surveyor mainly working on Building and Infrastructural projects within the Construction industry. My duties includes; Estimating, Tendering, Preparation of cash flow Projection, Material Procurements, Valuations, Financial Statement, Preliminary Estimate, Final account, and Site management. I also help with the Programming of new projects. Heading projects and looking after the Quantity surveying aspect from inception to completion. I have gained vast experience on how to manage and control costs within construction projects while working in both Contracting and Consulting firms and also gained experience in Site management alongside the Design Team.

I also have a good working knowledge of Microsoft Word, Excel, Revit, and AutoCAD. I am enclosing a copy of my Curriculum Vitae and I hope that you will consider my application. I am available for an interview, and I will look forward to a positive response.

Yours sincerely,

Fisayo Temilorun Ayodele.
