Work Experience

Working Supervisor

BELL GROUP - Liverpool

January 2023 to Present

I currently work for bell fire protection north, as a working supervisor on various schemes across the north west. I am point of contact with the clients and oversee that the job runs smoothly from start to finish and also all health and safety requirements are met. Also while creating as little disruption for the client as possible on live sites.

Joiner

TMJ Contractors - North West

February 2020 to December 2022

I worked for Tmj contractors across various sites in liverpool and Manchester. From new build apartment complexes to new build commercial office buildings. My duties were mainly 2nd fix with some first fix.

Joiner

DH JOINERY - Self employed - Liverpool

March 2014 to March 2020

I have been self employed for a number of years acquiring, managing and completing all my own private domestic work, while also bringing in other various trades to complete the job at hand to the highest of standards for the client. Completing a wide variety of jobs. Full kitchen fits. Full house refurbs (door frames. Flooring. Skirt, arch, doors) bespoke wardrobes and cupboards. Studwork. Wooden and upvc windows and doors. Fire doors.

Pictures and reviews to back up my work.

Joiner/Carpenter

BDM northwest - Merseyside

September 2018 to January 2019

I worked for this company briefly on a social housing contract across the north west

Ground Worker

West oak construction - North West

February 2013 to February 2014

I carried out all related ground work tasks such as, drainage, footings and foundations, road builds, flagging, block paving, kerbs etc

Here I gained my nvq level 2 in groundwork

Shop Fitter / Joiner

Charles evens shop fitters

November 2009 to December 2012

Carried out all aspects of superstore shop fitout. Including but not limited to doors, door frames, architraves, skirting boards, kitchens and flooring.

Apprentice Joiner

AA molyneux builders - Liverpool

September 2008 to September 2009

Carried out all joinery related tasks, doors, door casings, skirts, architraves, floor boards on social housing across liverpool, occupied and void. Under supervision of qualified joiner.

Education

Nvq level 2 carpentry + joinery

Carillion

Nvq level 2 groundworks

Certifications and Licenses

Driving License
