BILL MACHA: CV

TRAINEE SITE MANAGER

PROFILE

I am a motivated individual with a strong background in construction and a willingness to learn. I eager to pursue a career in property development and construction management. My hands-on experience as a general labourer and academic qualifications in Multi Skills (Level 1) and Business Management (Level 4) provide a solid foundation.

My work as a sales assistant and packing operative honed my communication and quality control skills. As a labourer, I conducted tasks such as painting, rendering, demolition/strip-outs and overall assisting, learning all trades. During my time in University i began to enhance my leadership skills through further business management studies.

Outside of work, I maintain a healthy, proactive lifestyle. This has allowed me to grow professionally as well as personally. I am dedicated to building a successful career in the construction industry and believe a construction-based job is the ideal opportunity to achieve my goals.

WORK EXPERIENCE

- Worked as a sales assistant at JD, where I provided exceptional customer service, assisted customers with orders, and demonstrated excellent communication and presentation skills.
