With 30 years of experience in the industry, Story Homes can confidently offer you a quality house buying journey, from start to finish.

We pride ourselves on building quality, high specification homes in areas where people want to live. We have a large and varied portfolio of fantastic properties and a design ethos that ensures traditional architecture and stylish interiors blend effortlessly together. And as well as being designed and built to exacting standards, the level of care and finish is very much evident with a Story Home. It goes without saying that we use quality materials throughout, and although we have grown geographically, we retain the same family values we've always had.

Most importantly, we realise that selecting a home is one of the single most significant decisions that you will ever make and we endeavour to provide a professional and personal service to make this experience a happy and less stressful one.

Quite simply, we are dedicated to building stylish homes and ultimately creating communities and enhancing peoples lifestyles.

Biggar is a traditional market town situated amidst stunning scenery. This charming and popular town enjoys excellent commute times for Edinburgh, Glasgow and the M74 south

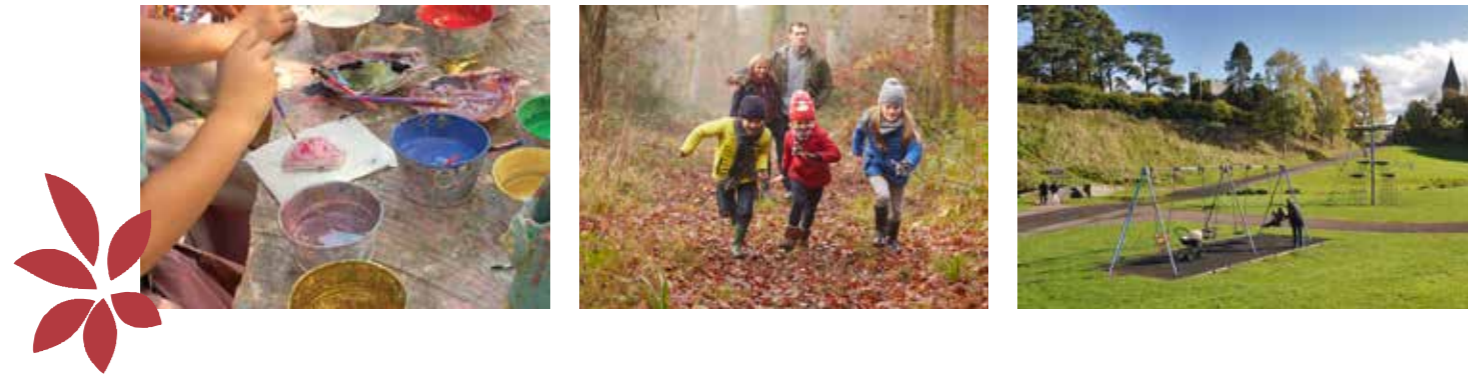

As well as offering rural bliss, Biggar is well connected to both motorway and major roads. It is only 30 miles to Edinburgh and has long been a popular commute for those seeking country living within easy reach of the city. Glasgow is less than 50 miles away meaning both major cities can be reached in under an hour. The M74 offers easy access south with Carlisle only 70 miles away. The town enjoys a regular bus service to Edinburgh.

Although Biggar is surrounded by a thriving rural farming community, it is also an historic centre with links to William Wallace and Bonnie Prince Charlie who passed through on his way south in 1744

Biggar is a beautiful town. People living here are drawn by its excellent location and spectacular scenery as well as its restaurants and hotels, being only 13 miles from Stobo Castle; the highly acclaimed 5 Star Hotel and Spa. The town boasts its own puppet theatre which dates back to the Victorian period and its main street is lined with century's old houses and the 'Biggar Kirk' (the towns local Church) dates from the 16th century. One of the highlights of Biggar's calendar is the family friendly 'Biggar Little' Festival which is held annually. Every hogmanay Biggar has a famous bonfire, which attracts visitors from afar. Only 5 miles west of Biggar is Tinto Hill, rising to 2,333 ft, which is a famous hill walk, forming part of the Southern Uplands.

Biggar is set in a key location close to two of Scotland's greatest rivers; the Clyde to the west and the Tweed to the east. The town boasts excellent local facilities

Biggar offers excellent options for education. Its Primary School has recently been acknowledged as an outstanding winner in the Scottish education awards. For those with older children, there is a good Secondary School in the town too, which moved to a brand new building in 2009.

The area offers a spectacular landscape with walks, bridle paths and hidden treasures, perfect for gentle weekend rambles and fabulous days of exploring for the whole family. The area is also well equipped for sports enthusiasts; Biggar Golf Club boasts stunning views across the rolling Borders country, whilst the well known rugby club is thriving and is a great community hub - both clubs have active junior programmes and welcome new members.

The town has its own medical centre and dentists.

House types above (left to right): Stirling (bungalow), Dalkeith and Irvine.

Story Homes' Pentland Reach development enjoys a delightful location and brings a superb range of generously sized 2, 3, 4 and 5 bedroom homes to the town. Our stylish range of designs and layouts boast excellent living accommodation

At Story Homes quality takes precedence, from choosing the right location and style of home, to the construction processes we practice, the materials we use and the specifications we put into our homes. For extra peace of mind, within the 10 year warranty all new homes receive, Story Homes operates a two year policy with dedicated Customer Service teams on hand to deal with enquiries quickly and effectively.

Whether you're looking for your first home, wanting to move to a larger family home or even downsizing, our range of property types - and there's 11 at Pentland Reach - are sure to inspire you. We combine practical features with 21st century design incorporating fully fitted kitchens and contemporary bathrooms. Our kitchens are spacious, usually with room for a breakfast table that lead to welcoming living areas. French doors in most properties allow the living space to be continued with easy access to the garden, effectively extending the usable space for you and your family to enjoy.

But we're more than just house builders; we build communities.

Our Sales Executives are knowledgeable and professional, offering a first class service; they're with you throughout your entire house-buying journey, and it doesn't end when you get the keys. Our Customer Care team provide dedicated and responsive after-care for two years after you've bought from us, in addition to your 10-year NHBC build warranty.

Houses here are being built using natural stone with brick and render to create stunning street views and adding to the charm and character of this lovely town. We pay a great deal of attention to the look of our developments (many of which are award winning) achieving a distinctive, established feel to our sought after schemes

Renowned for our quality and high specification, we employ traditional build techniques, whilst equipping your home for 21st century modern living. Not only is your property designed and built to exacting standards but the level of care and finish is very much evident with a Story Home. It goes without saying that we use quality materials throughout.

And we don't just focus on the aesthetics, we use high security doors with multi-point locking, and all of our properties are built with energy efficiency in mind which gives lower running costs, saving up to £1,410 pa on a 4-bed detached new build property*

As well as being sustainable our homes allow owners to analyse their energy consumption. Each home at St Edmund's Manor is installed with a smart meter, and together with efficient water use appliances, thermally efficient building materials and an air tight design, the overall energy demands of our houses are reduced.

We are continually evolving our environmental policies and as well as recycling a high percentage of waste generated on site, we've planted hundreds of trees - as well as safeguarding hundreds of others too!

*A 4-bed detached Victorian house with some modern improvements has average yearly energy costs of £2,460. Whereas, the equivalent new build home that has been built to 2013 Building Regulations could have average yearly energy costs of £1,050, saving £1,410 per annum. SOURCE: new-homes.co.uk

Houses below (top to bottom): Lauriston and Huntly.

Our award winning homes are built to a much higher specification than many other properties (both old and new), and our standard specification is much higher than the majority of house builders
