home awaits at...*

EDEN GATE

HOUGHTON | CA3 0LS

Imagine a stylish new home, in a stunning location with culture,
shopping and leisure activities on your doorstep...

Welcome To...
EDEN GATE

*Quality &
high specification*

Eden Gate offers a stylish new development on the edge of the Great Border City. Ideally located with excellent road and rail links, it provides a superb collection of 2, 3, 4 and 5 bedroom house types up to 1,905 sq ft in size. Renowned for our stunning street scenes, Eden Gate doesn't fail to disappoint, boasting a stylish mix of stone, brick and render finishes.

Buying a home is one of the most important decisions you will ever make. The qualities that make Story Homes different mean that you can choose a new home from us with complete confidence. When you buy a Story Home you can be confident that it has very high standards of design and quality, has low environmental impact and that you will enjoy an exceptional customer experience.

House types below (left to right): Mayfair (5-bed detached) and Balmoral (4-bed detached).

Style & design

Throughout our homes you will find features that create a sense of style and luxury including the contemporary designed kitchens and elegantly tiled bathrooms and en-suites. One of the keys to Story Homes' success is the finishing touches that make a real difference.

Properties at Eden Gate highlight the standard of specification that is synonymous with Story Homes. Well planned interiors maximise light and use of space, providing a practical yet desirable living space.

Whether it is family living or entertaining, at Eden Gate you will love the sense of space created by our open plan kitchens and dining areas and the natural light that floods into your home.

An area with so much to offer

Houghton village has much to offer with a good mix of local shops, a post office, church, village green and a village hall. Together they make up a true community, served by an excellent range of outdoor facilities with meandering paths for walking such as Gosling Sike Farm. Nearby Bitts Park, where children can explore in safety and make new friends and delight at the new 'urban adventure' high ropes course, provides the delights of relaxed countryside living within easy reach of Carlisle and beyond.

Houghton C of E School offers a great learning environment, where every child can enjoy a huge range of activities and experiences and continues to be one of the top primary schools in the area. The school is actively involved in the local community and staff and pupils regularly go out to support projects which enhance the environment and the community.

The Great Border City

In Carlisle you'll find a comprehensive range of leisure amenities with gymnasiums and swimming pools, as well as tennis courts, parks, a bowling alley, football club (home to Carlisle United) and rugby club; golfers too are well provided for with Eden Golf Club's 18-hole course within easy reach - in fact there are too many options to mention.

If your sense of fun runs to more cultural pursuits, the Sands Centre stages a wide variety of comedy, drama and musical productions. The award winning Tullie House Museum and Art Gallery is situated in the city centre, and with many hands-on activities, is a fantastic place to discover the varied history of the area including the infamous Border Reivers and Hadrian's Wall heritage. Carlisle plays host to several festivals which offer a wide range of the arts and local and international food fairs.

The combination of traditional independent retailers and 'big city' stores and brands makes Carlisle a great place to shop. In many ways, the area retains much of the charm of the best of the UK's market towns and villages. In addition to familiar high street names including M&S, House of Fraser and Debenhams, you can explore some lovely independent shops and boutiques, arts and crafts shops and antique emporiums.

Supermarket shopping is also well catered for; there are branches of Tesco, Asda, Morrisons and Sainsbury's, all within convenient reach of Eden Gate.

When it comes to dining, Carlisle offers an equally extensive variety of venues and menus to suit all tastes and pockets, ranging from delightful independent tearooms to cafés, bistros and restaurants. And of course, a good selection of traditional pubs.

For secondary education there are several schools in Carlisle and you will also find further and higher education opportunities for older children in the city too. For further details about educational options please visit: www.carlisle.gov.uk

- LED pelmet lighting
- Chrome down-lighters
- Integrated fridge/freezer

- Soft close doors
- Extractor fan
- Stainless steel double oven and hob

- 1.5 bowl, stainless steel inset sink

*97% of our buyers would recommend us to a friend**

5 Star Customer Care

For the fourth year running Story Homes has secured a top '5 Star' rating in the house building industry's annual customer satisfaction survey, achieving higher ratings than many of our competitors.

A 5 star rating is judged upon results from our customers and we regularly receive fantastic feedback from them which we review and use to help us make continuous improvements to our homes and our after sales service. We are proud that this has been recognised by the national

house building industry and highlights that we continue to offer our customers the highest level of customer service.

In a separate independent customer survey by 'In-house', Story Homes attracted both an outstanding and a gold award for customer satisfaction, revealing that 97% of our buyers are satisfied with the overall quality of their home and would recommend us to a friend.

*Source In-House Independent Customer Survey

The Consumer Code for Home Builders was developed by the home-building industry and introduced in April 2010 to make the home buying process fairer and more transparent for purchasers.

Our commitment to you

Since 1987 Story Homes has been run as a sustainable business and as a company we are committed to reducing energy, water and waste in the homes we build, on our construction sites and in our offices; green living and sustainable development are always high on our agenda.

With a long standing commitment to creating communities, our homes and developments are not just built for today. We start by choosing locations where people want to live, then we design stylish developments with attractive homes and sensible layouts incorporating a blend of different finishes. We employ modern building practices using quality materials and a high specification throughout the whole construction process.

In short, we are dedicated to creating quality homes that build communities and enhance people's lives. We aim to address the needs not only of our customers but their neighbours and the broader community of which they are a part.

Perfectly sustainable

Renowned for our quality and high specification, we employ traditional build techniques, whilst equipping your home for 21st century modern living. Not only is your property designed and built to exacting standards but the level of care and finish is very much evident with a Story Home. It goes without saying that we use quality materials throughout.

And we don't just focus on the aesthetics, we use high security doors with multi-point locking, and all of our properties are built with energy efficiency in mind which gives lower running costs, saving up to £1,410 pa on a 4-bed detached new build property*.

As well as being sustainable our homes allow owners to analyse their energy consumption. Each home at Eden Gate is installed with a smart meter, and together with efficient water use appliances, thermally efficient building materials and an air tight design, the overall energy demands of our houses are reduced.

We are continually evolving our environmental policies and as well as recycling a high percentage of waste generated on site, we've planted hundreds of trees - as well as safeguarding hundreds of others too!

*A 4-bed detached Victorian house with some modern improvements has average yearly energy costs of £2,460. Whereas, the equivalent new build home that has been built to 2013 Building Regulations could have average yearly energy costs of £1,050, saving £1,410 per annum. SOURCE: new-homes.co.uk
