

Bricklayer Apprenticeship

- 📍 **Location:** Carlisle, Cumbria
- 💰 **Salary:** Above NMW
- 🕒 **Duration:** 2-year fixed term contract
- 🎓 **Qualification gained:** Level 2 Bricklaying

About the opportunity

This apprenticeship offers a fantastic opportunity to learn from experienced tradespeople while contributing to the delivery of premium new-build homes. You'll gain hands-on experience on live construction sites, develop essential bricklaying skills, and work towards a recognised qualification.

What you'll be doing

- Prepare work areas, materials, and tools for bricklaying activities
- Mix mortar and other materials to the correct specification
- Lay bricks and blocks under supervision, ensuring accuracy, alignment, and a high-quality finish
- Cut and shape bricks using appropriate tools and techniques
- Assist with interpreting site drawings and plans as your skills develop
- Maintain a clean, safe, and organised work environment
- Carry out general labouring duties, including moving materials and keeping work areas tidy
- Follow all Story Homes health and safety procedures and site regulations
- Attend training sessions and work towards completing your apprenticeship qualification

What we're looking for

- ✓ Eligibility to work in the UK
- ✓ A positive attitude and enthusiasm for learning a skilled trade
- ✓ Strong work ethic, reliability, and willingness to work outdoors in all conditions
- ✓ Good communication and teamwork skills
- ✓ Ability to follow instructions and work safely
- ✓ Genuine interest in construction and housebuilding

What you'll gain

- 🎓 Full training and support to achieve a recognised bricklaying qualification
- 👷 Experience working on high-quality housebuilding developments with a trusted sub- contracting team
- 📈 Career development and progression opportunities
- 👏 Mentoring from experienced professionals
